Want to get lower premiums? You can appeal to the Social Security Administration by Form SSA-44: Medicare Income-Related Monthly Adjustment Amount – Life-Changing Event. This applies if you have a reduction in income due to certain life-changing events. These include death of spouse, marriage, divorce, retirement, change in work hours, involuntary loss of income-producing property, loss of pension or receipt of an employer settlement payment. You will need to provide proof of your correct income or of the life-changing event that caused your income to decrease.
